QUEST Year-end evaluation 2019-20 **Name:** _____

*This has been a topsy-turvy year with "social distancing" inserted right into the middle of our year. As we focus on planning for next year, we appreciate hearing from you on the things you liked or helped you grow in your faith as well as what you didn't like or didn't help you grow. **QUEST is all about helping Jesus shape young people into His Church.** We do this through experiencing God working in our lives and sharing that with others. Please give honest feedback on how to make **QUEST** even better for next year. **Fill this out today and return to Suzy when you're done.***
